

March 2013

To: Local Union Presidents, Financial & Recording Secretaries, Education and Unit Chairpersons, CAW Council Women's and Human Rights Committees

Greeting from the Education, Human Rights and Women's Departments

We are pleased to present our **JUNE TO SEPTEMBER 2013 Schedule for Port Elgin Education Programs**. Watch for the fall mailout which will provide the dates for courses running October to December.

The electronic transmission of our schedules seems to be working well. Please remember to advise us of any changes to your email address, or additions/deletions to your current contact list. Some recipients have had problems receiving our schedules, so remember to add us as a "safe contact" in your address book.

In addition to the electronic mail out, our schedule will continue to be available through the CAW web page (see www.caw.ca/educationschedule) and also Facebook on the 'CAW Education' page – 'like' us to receive updates to your Facebook account. Any local may continue to receive paper copies by contacting Roxy Angel in Port Elgin 1-800-265-3735 ext. 3215 or roxy@caw.ca. These changes are part of our efforts to respond to feedback from leadership, coordinate and streamline our processes between departments and reduce our overall costs.

We have several exciting new programs on offer this summer including our recently updated Building Activism course.

The attached schedule contains a full listing of available programs in Port Elgin.

Course Descriptions can be found at
www.caw.ca/coursedescriptions

Entitlements: we've converted entitlement reports from dollar amounts to participant spots making determination of entitlement simpler. The shift to a master entitlement list significantly cuts down on administration costs. These changes will provide accurate, timely information to assist Locals in getting the most out of their PEL entitlements. If you have any questions regarding these figures, please contact one of the support staff listed below.

Funding: Don't forget there are several ways to get to Port Elgin besides negotiated PEL. Alternative funding options include a 50/50 split between the Local Union and CAW National Office as well as subsidies. To inquire about either of these options contact Lisa Kelly, Education Director 1-800-268-5763 ext. 3790 or email lisa.kelly@caw.ca

Participation in our education programs should reflect the diversity of our membership. We ask that you pay extra attention to ensuring that participants from your local include women, Aboriginal and workers of colour, workers with disabilities, and lesbian, gay, bisexual and transgender (LGBT) members.

Confirmation of course acceptance letters will be sent to each participant (cc'd to the local by fax) from our PEL Program office, after the program deadline date has been reached. Locals of unsuccessful applicants will be notified at that time as well.
