**OFFICIAL RE-OPENING OF
THE MINE MILL LOCAL 598/CAW CAMPGROUNDS**

On Wednesday, June 1st, 2011, Mine Mill Local 598/CAW will hold the official re-opening of the Union's Richard Lake Campgrounds, commencing at 10:00 a.m.

This is an auspicious occasion for Local 598, as the Campgrounds have not been in use for many years. With our new "green" administration building located on the Campgrounds, the Union's Executive Board decided that it would only be appropriate to re-open the Campgrounds for the use of its' members and the community at large.

Although the Campgrounds will be open on a limited basis, we expect to be fully operational by 2012.

We would like to take this opportunity to invite you to attend our grand re-opening and to see the facilities that have been an integral part of this Local for over 50 years.
