May 2016

Dear Sisters & Brothers,

Spring is finally here looking bright and sunny. On the downfall, our collective agreement is coming to an end. Annette and I have been working closely with Anne Marie towards a new collective agreement. Our goal is to improve and enhance the language, to make it a better and improved collective agreement for all employees.

Attached, please note the official poster announcing a membership meeting on May 10th, 2016. It is important for all union members to attend. I expect to see you all there.

The Union hall is also celebrating the 32nd Worker's Memorial Day on June 20th. At this celebration, the ashes of a well respected Union Organizer, Joe Hill will be buried at the Union site.

Until then, see you on May 10th!

In Solidarity,

Ginette Trottier
