

December 2016

Happy Holidays Sisters and Brothers,

The Christmas Season is almost upon us.

So you are aware as of January 1st, 2017, there will be changes in its Wellness Plan. As of yet, we do not know how this will affect our different department.

The Union is reviewing the routines for the Housing Aides and Dietary Aides. If you have any concerns, please contact one of your steward reps.

At this moment, we have 3 outstanding grievances in our system.

As a reminder, the Union's Christmas party will be on December 10th. See poster on union board downstairs for more information.

On behalf of Melanie, Tiina, Catherine and myself, we wish you a Merry Christmas and a Happy New Year.

In Solidarity,

Beth McIlveen
