*February 2016*

Dear Sisters & Brothers,

Our Union Local is now in celebration mode. We are celebrating 100 years of history and proud to be the only remaining Mine, Mill & Smelter Worker's Union in the world....and we are still going strong!

**Mine, Mill & Smelter Worker's Union  
October 17, 1916 – October 17, 2016**

Your Union is as strong as its member. Our collective agreements are now printed out. You will find them in your file folder downstairs.

Please take the time to read your collective agreement. Knowledge is power and as workers, you must be aware of your benefits and rights as unionized workers.

I look forward to seeing improvement in our workplace. Continue to bring any of your concerns forward so that we can address them in a timely fashion.

Your next membership meeting is February 10<sup>th</sup> at 7:30p.m. Also, there is another meeting the following day at 1:00p.m.

Times and dates of meetings are also posted on our Union Board and on our website. Maybe we can carpool and bring our co-workers to the meeting.

North Eastern Ontario Recreation Council presents a Family Fun Ice Fishing Day on Monday, February 15<sup>th</sup>, 2016. Registration starts at 7:00a.m. at the Craftshop – Richard Lake Drive. Please contact Marcel Charron by February 10<sup>th</sup> at [marcel.charron@minemill598.com](mailto:marcel.charron@minemill598.com). Bring your family, a lunch will be provided, no fishing license is needed on Family Day and there will be prizes. Enjoy the day.

You are all invited to attend a Town Hall Meeting of the Local Union Task Force. See poster.

In Solidarity,

*Carol Varey*
