Dear Sisters & Brothers,

Once again the summer is almost finished and will be over far too soon. Our children are back in school and the parents are happy. The cold weather is coming and that, I can wait for. I hope you all had a good summer.

Our young workers are back in school and we are working short often. We are now scrambling for workers to work on our days off. Hopefully things will change. One of our cooks is off sick, so times are hard at work. We have 3 new employees. One started a month ago and she was off sick but is back on September 8th.

We are going into talks for our contract with the conciliation officer on October 14th and we hope for the best.

If you have any problems, you can reach me at 705-983-2394 or see me at work. Rosa Roberts is also your steward/health & safety representative, but she is off sick right now.

In Solidarity,

Huguette Gagne
