Dear Sisters & Brothers,

Summer has gone and winter is on the way. I hope everyone had a great summer. Our children are back in school which some of us look forward to.

As every other year, we are working short right now because our students are back in school. The manager is interviewing and hopefully things will get better. We do have three new employees and we hope they will stay. The food-handler course is one of the problems. We asked Brenden to ask our employer if they could pay part of it but we didn't hear anything yet.

We should get a copy of our new contract soon. I would like to let you know that the OLG are on lock out. We can go and show our support on the picket line.

We should also think about getting ready to vote for a new Prime Minister. Voting is very important and it is one of our rights. We should make a big effort to exercise our rights. This is the only way to get change and we are the ones who have the power to push for change. Take advantage of your right to vote.

If you have any questions or if you need any help, you can reach me at 708-983-2394, or you can see me at work. Rosa Roberts is also available at work and her number is 705-588-2282.

In Solidarity,

Huguette Gagne
