Dear Sisters & Brothers,

Another winter has almost gone and everyone is wishing for hotter temperatures. Spring is on the way if you can believe that.

We've been having a rough time at work. We've been working short all the time; hopefully it will get better soon. One of our co-workers is coming back from sick leave and that will help. We also have two new employees and they seem to be doing well. Brendan is hiring, but most of them aren't staying. Two more are suppose to be starting.

The residents also had a bad time, they have been sick for the last 2 months but things are better now. They're looking forward to the warmer weather.

This year, we will be going into negotiations in November, so now is the time to start thinking on changes you would like.

If you have any questions or if you need any help, you can reach me at 708-983-2394, or you can see me at work. Rosa Roberts is also available at work and her number is 705-588-2282.

In Solidarity,

Huguette Gagne
