**BARGAINING UPDATE**  
**REVISED**

The Union concluded a week of negotiations on monetary issues. Brantford, Mohawk, Woodbine, Sudbury, Point Edward, Georgian Downs and Ajax Downs were all present. It was a fruitful week as a number of issues, both local and common, were settled. As well, both parties exchanged proposals on the global issues such as pensions and benefits and wages. There are a number of outstanding items though and both parties have agreed to meet on September 17 and 18 with a potential lockout date of 12:01 am September 19. This lockout date will only apply to Brantford, Woodbine and Sudbury though. It is our intention to get a deal that will serve all the sites.

Meanwhile, Point Edward has agreed to start their local site bargaining the week of September 7. We are in the process of lining up dates for Georgian Downs and Ajax Downs.

All sites were present and the solidarity shown by each site was tremendous. Bargaining is a complicated process but we are confident, based on the progress made this week, that we can get a deal that will meet our needs.

We will update you as the process allows. Thank you for your support.

In Solidarity,

Anne Marie MacInnis, President  
*and your Bargaining Committee,*
