Issues in the workplace are being solved concerning holiday pay. Job postings need to be clarified. If there are any problems with your pay, contact your supervisor first. If the problem is not resolved within a week, contact me directly. (contact information below).

The expiry date of our collective agreement is fast approaching which is at midnight on June 14th, 2013. Meanwhile, dates for bargaining are set for the first 2 weeks of June 2013. The surveys are being processed and I would like to thank all members for completing them. Your input helps the bargaining team understand what your concerns are so that they can negotiate the terms that you brought forward.

We will be having a strike mandate vote either at the end of May or beginning of June. Please see attached hand out for information on what exactly a strike mandate vote is.

Arbitrations are scheduled for June 27th, 2013.

There will be 2 unit meetings to accommodate all shifts. These meetings will be to answer your questions, go through the union proposal and explain how the negotiations will proceed.

May 26th, 2013 at the Union Hall - 7:00p.m. to 9:00p.m.
