Re: Negotiations with First Nickel Inc.

Mine Mill 598/CAW and First Nickel Inc. have a new 4 year collective agreement

The bargaining committee members of Mine Mill Local 598/CAW employed at First Nickel Inc. were able to bring a new, tentative agreement to their membership late last night. The bargaining committee is happy to report that the membership voted 94% in favour of accepting the terms of the new agreement. The agreement includes a 4-year contract; no concessions, improvements in language, increase in benefits and wage increases over 4 years and a signing bonus. The negotiations, which started June 5th, 2013, went well, talks were cordial and both parties agree that this is a fair deal and shows our commitment to the success of the Lockerby Depth Project and First Nickel Inc.
