LAFARGE CANADA – Manitoulin Quarry NEWSLETTER

April 14, 2015

Dear Sisters and Brothers,

I would like to take this opportunity to let everyone know what has been happening at our site and the Local, also to welcome everyone back that were on winter lay-offs. Our production season started back up on March 30th and the company is predicting somewhere around the 2.5 million tonnes for this upcoming season, maybe more if the Canadian dollar stays low. I would also like to say welcome to the four new employees that were hired this spring. Welcome to Lafarge and Local 598/Unifor. I will be around to meet with you once I get a chance.

As everyone is aware by now, our Elections for Union positions is coming up this May. I have posted the information and nomination papers along with all Union positions at our site and at our Local that is available. All information is posted in the main lunch room beside the time clock. Nomination papers can be faxed to the Union hall anytime after April 19th, but not later than May 2nd. The election will be Tuesday, May 25th and Wednesday, May 26th, 2015 from 6:00a.m. to 7:30a.m. and 6:00p.m. to 7:30p.m. at our site. Good luck to everyone that will be running.

In Solidarity,

Kevin Bailey
