UNION NEWSLETTER

February 2016

Hello Brothers & Sisters,

Just a little update on how things are going.

Seems to me like things are going fairly smoothly other than a few minor things here and there.

Working on settling the outstanding grievances that are still out there.

Also, I want to say Happy New Year to everyone and may 2016 bring you all the best. I hope you all had a great holiday season.

In Solidarity,

Chad Nelles
