

December 2016

Hello Brothers of Mansour Mining Tech. Inc.,

With the Christmas season upon us, I would like to wish everyone and their families a very Merry Christmas and a Happy and prosperous New Year from Mine Mill Local 598/Unifor. I hope everyone has a safe and wonderful Christmas season.

I'm sure by now all of you have heard about the possibility of a 12 hour shift schedule some sort or another. There has been talk of it, but nothing has been decided on it and what's best for our members. We will be holding a membership meeting at some point to advise everyone on what's going on, but at this time, we are not sure if we will need to. We are going through all of our options.

I ask for your patience on this matter. Be assured that nothing will get done without everyone knowing what's going on.

In Solidarity,

*Chad Nelles*
