

Seasonal Campers

A new camping season is upon us. We are looking forward to a fun and sunny summer. We welcome all families.

Just a few reminders to our seasonal campers. All seasonal fees should be taken care of as quickly as possible to ensure that our rates remain the same for next year. Please keep in mind that when your seasonal fees are paid prior to May 1st of each season, you will receive a \$50.00 rebate.

Garbage bins have been installed on the grounds for your use. Please use these bins to dispose of your daily household garbage and if you have a pet, please use the bins to dispose of any animal waste. Please note that the garbage bins are for household garbage and not to be used to dispose of bar-b-ques, furniture, broken bicycles, or any other items that are not household garbage.

Campers with babies, we ask that you please dispose of any soiled diapers in the outdoor garbage bins and not in the garbage cans that are provided in the washrooms.

Enjoy your stay!!!

Over Night and Short Term Campers

To our weekend and/or short term campers, we ask that you please enjoy your stay with us. On your departure day, please be courteous and clean all garbage from your site and make sure that any burning embers in your fire pit are well extinguished.

Mine Mill Campgrounds is a family oriented campsite. We ask that you please follow speed limits while driving through the park to ensure safety of other campers and children.

Campground rules have been provided to you upon check in. It is imperative to comply with these rules so that there are no problems.

Campground Managers & Staff

Your campground managers are :

Darren Leblanc and Christian St. Louis

This is their first season managing the campground.

They will work tirelessly and will be there to answer any questions or deal with any concerns you may have. Feel free to approach them!

Mine Mill Campgrounds staff 2 students to maintain the grounds for your enjoyment. As any other employer, we ask that you respect the rules and direction given to you by management and staff. We have a no tolerance rule for belligerent, offensive or aggressive behavior towards any of our staff.

They will work very hard to keep the grounds clean and well managed. Please do not hesitate to bring forward any concerns and/or suggestions that will help improve the grounds or its operations.

Bears, skunks, raccoons, geese, etc.

While we endeavor to keep the grounds wild-animal-free, we do ask that you exercise caution at all times. We are located in a wooded area on the edge of the city and we do encounter these pesky critters. Some basic rules to prevent these animals from visiting our campground is to make sure that all garbage is removed from your camp site daily and placed in the bear-resistant garbage bins. Second, if you are cleaning fish, please ensure you dispose of the carcass accordingly and clean off the cleaning table thoroughly.

Third, please do not feed any of these animals if you do encounter one. This only brings them back along with the rest of their families and relatives.
