Hello Brothers and Sisters of Mine, Mill & Smelter 598 Unifor,

My name is Peter Sullivan you're newly elected Chief Election Judge. My Union involvement spans 27 years, and I look forward to serving you for the next 3 years.

I would like to congratulate Bob Lamothe and look forward to working with him during the upcoming elections.

This year's Election in May will be done electronically by Computer. Once all the nominees have submitted their applications, the ballots will be formulated. All eligible voters will receive a package in the mail that will include a pin number that you will use to log in to cast your votes. These pin number will also be valid for a run off if necessary. For those who do not have or use a computer, there will be a voting station set up at the union hall, and assistance will be provided.

At this time I would like to give a brief description on the process. We will be collecting address from each member throughout our local 598 and forward them to a company called Simply Voting. If you do not receive your package by Mid May then contact the union hall as soon as possible. it will give us time to rectify the issue.

A list of all Union Elected Officers and Representatives for all sites have been compiled. Please make these available to all our members.

Any questions or concerns can be forwarded to myself or Natalie Stewart our Executive Assistance.

I would like to Thank Natalie Stewart and Marcel Charron for all of your assistance and encouragement during this learning process.

A sincere acknowledgement and thank you to Reg Berthiaume for his years of dedication in this position.

In closing, I would like to thank you for your support.

Yours in solidarity,
Pete (Sully) Sullivan
Chief Election Judge
