## **BROTHERS AND SISTERS**

The time has come again where our current collective agreement is winding down and your bargaining committee is now away from their respective worksites and have started preparing the proposal package.

The bargaining committee has appointed replacement chief stewards and they are as follows:

**Smelter—Darwin Craig**  
**Mill—Gord Horseman**  
**Fraser—Pete Lauzon**  
**NRS—Barry Carswell**

We also have a separate email set up regarding any questions or issues pertaining to bargaining. The email is... [bargaining@minemill598.com](mailto:bargaining@minemill598.com).

The recent by-election for the positions of Vice-President and Guide resulted in a run-off election. Both positions require 50% + 1 vote and neither were successful in achieving this. The run-off election will be held November 21st–27th, 2016 from 9:00a.m. to 4:00p.m. at the Union Office.

Other dates to remember are:

**December 5th, 2016**

Contract proposal meeting

**December 10th, 2016**

Mine Mill Christmas Party

**December 14th, 2016**

Proposal exchange with company.

**January 16th, 2017**

Strike mandate vote.

*\*Dates, times and locations will be posted in the workplace and will also be posted on the Mine Mill Facebook Group and Mine Mill website.*

Contract time always becomes stressful for our members and the rumor mill begins to turn. I urge everyone to keep their minds on the task at hand and to avoid the rumor mill. If you have any concerns over things being said in the workplace, please feel free to ask me via the bargaining email and I will get back to you.

*In Solidarity,*
